The **United States Air Force Heartland of America Band** is proud to present the **OFFUTT BRASS**. A chamber ensemble composed of musicians from the **Brass in Blue** brass ensemble, the **OFFUTT BRASS** inspires the hearts and minds of military and civilian audiences to increased patriotism with their music in a variety of settings around the country. They also share stirring accounts of the bravery and self-sacrifice of our expeditionary Airmen serving around the globe.

Honoring military personnel is the **OFFUTT BRASS'** most important mission. Their formal military ceremonial performances extend nation-wide and their audiences have included the world-renowned Tuskegee Airmen as well as thousands of veterans who have valiantly served our country.

The group's repertoire consists of classical, jazz and standard brass quintet music showcasing their musical diversity. At home in large auditoriums or in more intimate chamber settings, the **OFFUTT BRASS** will take an audience on a tour of some of the world's most beautiful and exciting music. The members of the group are soloists in their own right and together they render the perfect blend of tone color, expression and traditional interpretations.

The **OFFUTT BRASS** honorably represents more than 350,000 Air Force professionals around the world who diligently watch over the skies protecting and defending all those who cherish freedom. We hope you afford us the opportunity to share the messages of bravery, sacrifice, courage and commitment of our brave men and women...the deployed Airmen of the United States Air Force.
